Mr. Speaker:

Pursuant to House Rule 78, which reads:

Any member may have, as a personal right, a division of the question where the sense will admit of it. When the question having been divided is a Senate Bill for Third Reading, each part of the bill shall be voted upon separately and a subsequent separate vote shall be taken on the entire bill. When a bill is divided for consideration, the title and enacting clause shall be considered a separate part and shall, unless otherwise amended, be technically changed to reflect any amendments or deletions to the bill. No House Bill shall be subject to a division of the question after its perfection.

I respectfully request that the HCS HB 2069 & 2371 be divided into the following sections:

Part 1:

Section 188.036

Part 2:

All remaining sections of the bill as amended

Respectfully submitted,

*Deanne Kurland*
